#### **Family Educational Rights and Privacy Act of 1974 (FERPA)**

Watkins College of Art adheres to the Family Educational Rights and Privacy Act (FERPA) of 1974 as amended. This Act protects the privacy of education records, establishes the right of students to inspect and review their educational records, and provides guidelines for the correction of inaccurate and misleading statements. For this reason, any student requesting and/or retrieving documents from the Office of the Registrar, must provide his/her Watkins ID, along with a Photo ID, before request will be completed.

Watkins College of Art designates the following information as Directory Information:

- The student's name
- Address and telephone listing
- Email address
- Major field of study
- Class status (freshman, sophomore, etc.)
- Current registration status (present enrollment and attempted hours)
- Dates of attendance
- Degrees and awards received
- Participation in officially recognized activities and organizations
- The most recent previous educational agency or institution attended

A student has the right to request that any or all of the above Directory Information should not be released without his/her prior consent. Students who wish to restrict the release of this information must make a written request to the Office of the Registrar. This request may be filed at any time; however no liability shall be assumed by the College for information stated above that may have been released prior to the date the request is filed.

A student has the right to request amendment of his/her educational record to insure that the record information is not inaccurate, misleading or in violation of a student's privacy rights. The procedure to seek amendment of a student's educational record is as follows:

A written request must be submitted to the Registrar stating the reason a student seeks to amend his/her educational record with any supporting documentation attached to the request.

The Registrar will issue a decision in response to the student's request. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

### **Americans with Disabilities Amendment Act (ADAA)**

Accommodations are available for students with diagnosed physical, learning, psychiatric or other disabilities upon request. Students seeking accommodations for a disability or disabling condition should contact the Director of Student Life as soon as possible upon arrival to begin the accommodations process, which typically takes about a week. If the accommodations are relevant to on-campus housing, this process should begin with the first housing inquiry. Accommodations cannot be implemented retroactively. Accommodations are determined and implemented on a case-by-case basis as is reasonable and appropriate and may include but are not limited to: extended time on tests and in-class assignments, note-taking assistance or access to class notes, flexible course scheduling, and/or reduced course load.

For all requests, appropriate medical documentation is required. Once the information and documentation is reviewed, the Director of Student Life will schedule an appointment with the student to discuss his or her specific needs. The student will then receive a copy of their access and accommodation letter that outlines determined academic accommodations. It is the responsibility of the student to deliver this letter to his or her instructor and notify them of any accommodations. Students with disabilities are encouraged to communicate with their faculty, but are not required to disclose specific diagnoses. Given the variable nature of courses at Watkins, we recommend that students meet with the Director of Student Life at the beginning of each semester to reevaluate appropriate and reasonable accommodations. Any students encountering problems with requesting accommodations in the classroom should contact the Director of Student Life by phone at 615.277.7406, by email at [studentlife@watkins.edu](mailto:studentlife@watkins.edu), or by going by the Directors office during office hours at the Cecy Reed Student Center, room 801.

***STUDENT FINANCIAL ASSISTANCE***

The Financial Aid Office is responsible for the overall administration and coordination of student aid programs offered at Watkins. Its mission is to assist students pursuing a quality visual art education with financing their educational goals. This mission is accomplished by increasing student awareness of available sources of aid from Federal, non-Federal, state, and institutional programs.

**Federal programs** include the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, Federal Direct Subsidized and Unsubsidized Loans, and the Direct PLUS (*Federal Parent Loan for Undergraduate Students*).

**Non-Federal Aid programs** include private loan programs.

**State programs** Tennessee Student Assistance Grants and Scholarships programs-TSAA, HOPE, Dual Enrollment Grant, Helping Heroes and Dependent Children Scholarship.

**Institutional programs** include the Watkins Grant, Institutional Work-Study, Merit-based scholarships, Commissioner's Scholarships, and other departmental scholarships. (Note: all scholarships and institutional work programs require additional information separate from the financial aid requirements.)

**Satisfactory Academic Progress (SAP) for Financial Aid** This policy is established for students receiving student aid assistance from Federal Title IV, State and other aid programs that require satisfactory academic progress (SAP) monitoring. SAP rules apply even during periods when the student does not receive Title IV or other aid from programs that require SAP monitoring. Generally, a student who is not meeting SAP requirements is ineligible for funding from these programs.

## **General SAP Requirements**

Must achieve a 2.0 cumulative grade point average for undergraduates, 3.0 cumulative for graduate students.

Must earn a cumulative total of 67% of all attempted hours each semester.

Meet the academic standards required for graduation within a time frame not to exceed 150% of the time normally expected to complete a degree or certificate program.

More details of this policy can be found in the Student Handbook or by contacting the Office of Financial Aid.

## **Withdrawals and Refund Policies**

Students who withdraw officially or unofficially are subjected to two refund policies governing the student aid programs. The federal Return of Title IV Funds (R2T4F) policy governs federal and some state aid programs. The Institutional Refund policy governs all students whether they are student aid recipients or paying from their own resources. Students are responsible for informing the Office of Financial of their intent to withdraw and how these types of withdrawals will affect their student aid and continued eligibility.

### ***Official Withdrawal***

Student aid recipients who wish to withdraw **prior** to the end of the semester should report to the Registrar's Office to obtain and initiate a withdrawal request. Upon completing the requirements for properly withdrawing from the College, a copy of the official withdrawal request will be forwarded to the Office of Financial Aid for further processing. **TN HOPE SCHOLARSHIP** recipients are required to seek approval to change enrollment statuses if the change occurs after the first (1<sup>st</sup>) day of class. Enrollment changes can only be approved for a documented medical or personal reason(s). Requests to change enrollment should be submitted to the Director of Financial Aid either on the day of the change of enrollment or no later than thirty (30) days following the end of the term.

### **Unofficial Withdrawal**

Financial aid recipients who leave the College and fail to either complete the proper withdrawal process or notify the appropriate college officials, or who have been identified as a non-attending student, are considered to have made an unofficial withdrawal. **NOTE:** TN HOPE Scholarship recipients who unofficially withdraw are **terminated** from the program with no opportunity to regain.

### **Refund Policy**

The Federal Refund Policy require that class attendance be monitored through the ninth week (60%) of each semester of enrollment in order to determine if all funds disbursed were earned by the student. Students who attend and complete more than 60% of the semester and

withdraws are considered to have earned all aid received. Earned aid is contingent upon the number of days a student attends. If a student withdraws from the College prior to the 60% point in time, a R2T4F formula is used to determine the amount of unearned aid that must be returned to the federal and/or state aid program(s) and the responsible party that is required to make the return (Watkins and/or the student). This formula applies even if student aid has been applied to outstanding charges and/or refunded to the student.

*Example:* If a student completes 30% of the semester and withdraws, he or she has earned 30% of the student aid that was originally awarded. The unearned aid must be returned to the federal programs by either the College and/or the student.

*Institutional Refund Policy* applies to all students enrolled at the College and monitors attendance ten (10) business days from the first day of class. Withdrawals during this time period are subject to a proration of institutional charges.

NOTE: Student aid will be prorated based on the student's enrollment changes or withdrawal from the College prior to applying the refund calculations.

*Example:* Student withdraws from the College during the 50% refund period. The total original charges were \$5000 and the student paid \$2000 from their own resources and had \$3000 in student aid applied to these charges. As a result of the institutional refund policy the student's new charges are \$2500; the federal refund calculation allows \$1500 of the student's federal aid to be retained by the school and since this student paid from their own resources (\$2000), he or she will have a credit balance because he has paid more than the charges and thereby is eligible for a \$1000 refund of the amount he originally paid. Note: In other cases where the federal and institutional refund policies are applied, a student may or may not qualify for a refund but may owe a balance.

In both instances, students are notified, in writing, of the results of these calculations and their obligations either to the College and/or student aid programs. Students are encouraged to contact the Office of Financial Aid for more detailed information regarding withdrawals and refund calculations.

Unearned aid will be returned in the following order:

1. Federal Direct Unsubsidized
2. Federal Direct Subsidized
3. Federal Direct Parent (PLUS)
4. Federal PELL Grant
5. Federal SEOG Grant
6. Other Title IV aid programs
7. State Aid, as required

## **Loan Entrance and Exit Interviews**

*Loan Entrance Interviews* are required for all first time borrowers of the student loan program. Its purpose is to inform students of their rights and responsibilities associated with borrowing from the federal student loan program.

*Loan Exit Interviews* are required for students who graduate, transfer, withdraw or drop below half-time status at the College. Its purpose is to inform students of their loan obligations and to provide information relevant to successful loan repayment.

Both are mandatory federal requirements.

## **Veterans Affairs (VA) Education Benefits**

VA education benefits are coordinated with the certifying official in the Business Office. Watkins degree/certificate programs are approved for veteran's education by the Tennessee State Approving Agency for the training of veterans and their eligible dependents. Watkins certifies enrollment of eligible students to the Veterans Administration (VA). The process begins by completing and submitting an application online. Go to [www.GIBILL.va.gov](http://www.GIBILL.va.gov), select "Educational Benefits" then click on "How to Apply for Benefits". The VA will mail a Certificate of Eligibility (COE) disclosing the Chapter and level of benefits to you. The Certifying Official requires a copy of the COE along with the Application for VA Benefits and the VA Enrollment Verification Form. The forms allow Watkins to release student records for certification and are available in the Registrar's Office. It is mandatory for veterans to disclose all enrollments in other post secondary institutions prior to the first semester of enrollment at Watkins. Certification of enrollment is processed after the receipt of completed forms and after the College's Drop/Add period ends.

The Veterans Administration (VA) requests that students make their own inquiries. The student is responsible for asking questions and submitting an inquiry to the VA about the status of their application and eligibility of benefits. Watkins does not submit inquiries on the student's behalf. For questions, call 1-888-442-4551.

## **Post 9/11 and Yellow Ribbon**

Watkins agrees to provide contributions to eligible individuals who apply for the program at the institution. Watkins agrees to offer Yellow Ribbon benefits to the first 15 qualified students on a first-come-first-serve basis, regardless of the rate at which the individual(s) is pursuing training (i.e., full time versus less than full time), during the academic year.

Upon receipt of the Certificate of Eligibility (COE), the Business Office applies a date stamp to a copy of the original document, maintaining a list of eligible candidates by date of entry. In the event a student fails to enroll in a standard semester session, eligibility is forfeited to the next eligible candidate. An individual who loses eligibility is removed from the list of eligible candidates. If a student drops out for a standard semester, their name is removed

from the list of eligible candidates. If an eligible student returns to Watkins their name will be placed at the end of the wait list.

Watkins agrees to provide Yellow Ribbon contributions for up to 15 eligible individuals during the academic year beginning the first day of August 2011 following the “Date of Acceptance” by the certifying official. Eligible individuals may request to amend the effective date of eligibility with the VA. An individual may be eligible for a period of 36 months. Terms are available at [www.GIBILL.va.gov](http://www.GIBILL.va.gov). Watkins Financial Aid office is responsible for determining if an individual with VA benefits remains entitled to aid or scholarship.
